PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION (MPEP 711.03(c)II and 37 CFR §1.181

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This transmittal is in reply to the Notice of Abandonment mailed on January 5, 2007. The Notice of Abandonment indicates that the application is abandoned in view of applicant's failure to timely pay the required issue fee and publication fee within the statutory period of three months from the mailing date of the Notice of Allowance.

However, applicant's attorney never received the Notice of Allowance. Additionally, on May 26, 2006, applicant's attorney received a telephone message from Examiner Nguyen inquiring whether we had received a Notice of Allowance. At that time he indicated that the Patent Office had lost the Notice of Allowance and requested that we fax him our copy of the Notice of Allowance. Applicant's attorney looked in the matter, discovered that he had not received a Notice of Allowance and left Examiner Nguyen a voicemail message indicating same.

Applicant's attorney has searched the file jacket and the Notice of Allowance was not received. Additionally, our docket records do not indicate that a Notice of Allowance was ever received. Attached is a print-out of our docket record where the Notice of Allowance would have been entered had it been received and docketed.

It is therefore respectfully requested that the Notice of Abandonment be withdrawn and that the Notice of Allowance be remailed.

Should any further questions remain, the Examiner is invited to contact the undersigned attorney.

Respectfully submitted,

Date: February 6, 2007
